

St Paul by the Pillar Chapter No 1142-3

St Paul by the Pillar Chapter No 1142 was consecrated on Monday 4th Nov 2002 by the same Consecration team that consecrated the St. Lazarus Chapter from Supreme Council 33° England & Wales led by V.:P.:Bro. G.V Tedder 33° Lt. Grand Commander.

According to the Acts of Apostles when St. Paul visited Paphos in 45 A.D., which was the capital city of the Roman administration, the Roman Commander issued a mandate to whip him thirty nine times because of introduction of "bad new perceptions of religion" Thus, the column that was used to tie and punish the Apostle Paul still exists and it is one of the most important monuments of the ecclesiastical tradition of the Christianity of Cyprus
